

# Greek Islands Cruise

on S.V. Star Clipper

## September 5th - 12th, 2009

Join Source Events for a magical week of tall ship sailing in the Eastern Mediterranean aboard S.V. Star Clipper. To experience the Greek Islands by sea is nothing less than extraordinary. Sparkling blue waters, hidden coves and secluded beaches make the Greek Islands the perfect playground for a week of fun, exploration and celebration.

We are especially pleased to welcome **ARMISTEAD MAUPIN**, the world-renowned author of *Tales of the City*, who will enchant us with both real-life and more fictional tales!

We'll follow the routes of ancient Greek mariners, taking you from Athens, the seat of democracy, to Kusadasi on the Turkish coast and on to Santorini and Mykonos. A mecca for the rich and famous, Mykonos has long been a favorite gay travel destination. This magical island has it all; beautiful people, vibrant nightlife, world class dining and pristine white sand beaches.

This extraordinary voyage will feature themed parties, wellness activities, and special entertainment. Enjoy dancing under the sails to music by **DJ Peter Canellis**, singing at the piano bar or simply relaxing.

On this intimate cruise, it's your choice!

## Ports of Call

**Athens** is the seat of democracy, site of the Acropolis, and home to world class museums. A vibrant city, bursting with life where you can see evidence of its Classical roots around every corner.

**Patmos** has something for everyone, the culturally inclined, sun worshippers, shoppers and those just seeking to unwind. It is also a place of pilgrimage for Christians as it was here that St. John wrote his divine revelation the Apocalypse.

**Santorini** is unique and breathtakingly beautiful. Gaze in wonder at the Caldera, site of one of the biggest volcanic eruptions in history. Savor the spectacular sunset.
